# ATTO Cable Kit

## *STAY CHARGED WHEREVER, WHENEVER!*

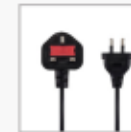

ATTO CABLE KIT is a simple 'switch and match' solution for travelers. Having all 4 ATTO original global cables means you are always prepared for any socket you may encounter, thus ensuring you can charge up safely and quickly wherever you may be.

# ATTO Left-Handed Throttle Kit

ATTO LEFT HANDED THROTTLE KIT is an important ergonomic adaptation for left-handed users to facilitate optimal steering control. Please note that switching from right-handed throttle to left-handed throttle cannot be done alone, but must be performed by an authorized ATTO Dealer.

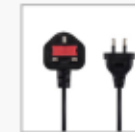

- ✓ No compromising or adapting required
- ✓ 100% steering control with your strong hand
- ✓ Economically matched to left-handed use

# ATTO Left-Handed Throttle Kit

## *MAKING IT RIGHT FOR LEFT-HANDED PEOPLE!*

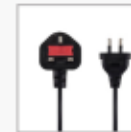

ATTO Left-handed Throttle Kit is a simple adaptation to facilitate optimal steering control for left-handed users.

# ATTO XL Flight Battery

ATTO XL FLIGHT BATTERY is an innovative solution which helps overcome strict flight restrictions by simply splitting the 280Wh into two units of 180Wh and 100Wh. When traveling power assurance is key, so investing in a spare battery, that you are sure will not be confiscated by airline officials, is a no brainer.

- ✓ The only full battery to easily get on board flights
- ✓ Guarantees mobility for an additional 28km/17.4Miles
- ✓ Unique split in two units of 180Wh and 100Wh
- ✓ Alternating between 2 batteries means you never have to stop
- ✓ Backup power assurance when traveling
- ✓ Dedicated carrying solutions available with ATTO Backpack or the ATTO Essentials Pouch

# ATTO XL Flight Battery

**NEVER LEAVE YOUR POWER BEHIND!**

ATTO XL Flight Battery splits in two to overcome strict airline regulations and get on board the flight with you.

**Average distance power:** 28km/17.3Miles

**Power:** 280Wh split into two: 180Wh and 100Wh

**Dimensions:** 29cm x 130cm x 8cm

# ATTO Standard Flight Battery

ATTO Standard Flight Battery makes sure that when you are out and about you don't get stuck without power. For constant power assurance we recommend always having at least one spare ATTO Standard Battery with you to power an average distance of 20km/12.4Miles at 250Wh.

✓ Backup power assurance when you most need it

✓ Guarantees mobility for an additional 20km/12.4Miles

✓ Alternating between 2 batteries means you never have to stop

✓ Dedicated carrying solutions available with ATTO Backpack or the ATTO Essentials Pouch

# ATTO Standard Flight Battery

## EXTRA POWER GETS YOU FAR!

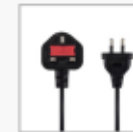

ATTO Standard Flight Battery is a great spare battery to always have on hand.

**Average distance power:** 20km/12.4Miles

**Power:** 250Wh

**Dimensions:** 29cm x 13cm x 8cm / 11.42" x 5.12" x 3.15"

**Weight:** 1.85 Kg / 4.08 lbs

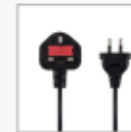

# ATTO Cane Holders

An important adaptation for users with walking sticks, canes or crutches. These smart connectors are designed to adapt to any diameter and are easily installed behind the backrest to carry one's walking apparatus conveniently. Once installed, there is no need to remove when ATTO is folded.

- ✓ Enable one to get up and walk at any time
- ✓ Fit any walking sticks, canes or crutches
- ✓ Easy to install and dismantle
- ✓ Adaptable to any diameter

# ATTO Cane Holders

**BE FREE TO RIDE OR WALK!**

ATTO Cane Holders are smart diameter adaptable connectors to fit any walking sticks, canes or crutches.

**Maximum Diameter Support:** 6cm / 2.36"

**Weight:** 0.10 Kg / 0.22 lbs

# ATTO Mobile Holder

A flexible rubber connection that simply stretches to grip and secure the four corners of your smartphone. The flexibility of the material also lends itself to ensuring a firm fix of the device to the center of your handlebar. With this smartphone holder in place, your phone will always be ideally positioned for use.

- ✓ Frees your hands to steer safely
- ✓ Firm secure grip
- ✓ Ideal positioning & height
- ✓ Flexible fit for any phone size
- ✓ Easy access to ATTO USB charging port
- ✓ Can remain on ATTO when fully folded

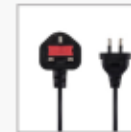

# ATTO Mobile Holder

**ALWAYS CONNECTED AND AVAILABLE!**

ATTO Mobile Holder is a flexible size-adaptable mobile phone holder that attaches to the handlebar at an ideal operational height.

**Dimensions:** 6.5cm x 13cm x 4cm / 2.5" x 5.1" x 1.6"

**Weight:** 0.41 g / 0.1 lbs

# ATTO Padded Cushion

Designed to add a soft aerated layer of comfort to both the seat and the backrest, particularly suited to extra sensitive users and lengthy periods of use.

✓ Extra soft and breathable padding for seat and backrest

✓ Folds into a compact, light, easy to carry size

✓ Dedicated zipper connection for ATTO Carryall & Cushion

✓ Available in 3 colors: ●●●

✓ Bonus rear safety reflector

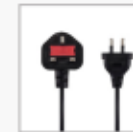

# ATTO Padded Cushion

**REV UP YOUR COMFORT LEVEL!**

ATTO Padded Cushion adds a soft aerated layer of comfort to your ATTO seat.

**Dimensions:** 38cm x 22cm x 11cm / 14.96" x 8.66" x 3.15"

**Weight:** 0.39 Kg / 0.87 lbs

# ATTO Essentials Pouch

An excellent compact pouch for daily essentials including a spare ATTO Battery. When not attached on the front ATTO tiller, this pouch transforms into an easy to carry sling, so that your valuables are secured with you at all times. Once installed, there is no need to remove when ATTO is folded.

- ✓ Rugged protection
- ✓ Extra-long key lanyard
- ✓ Bonus safety reflectors
- ✓ External attachment loops
- ✓ Dedicated storage for spare ATTO Battery
- ✓ Carries comfortably as a sling
- ✓ Multiple pockets and organizers for all you may need

In folded and wheel-along mode

Once attached, there is no need to remove when ATTO is folded

Carried in sling mode

# ATTO Essentials Pouch

ATTO Essentials Pouch carries your daily essentials including a spare ATTO Battery, connects to your ATTO or carries as a sling.

**Dimensions:** 32cm x 15cm x 14cm / 12.60" x 5.91" x 5.51"

**Capacity:** 5L **Weight:** 0.44 Kg / 0.96 lbs

**Maximum Weight Load Capacity:** 5 Kg

# ATTO Flight Kit

A unique, super protective cover, designed primarily to safeguard ATTO from major breakage incurred by baggage handlers when traveling, but also to provide great everyday protection from minor damages even when just stowed at home. The cover is always on hand when needed, as it folds up to carry comfortably on the backrest while driving, and when installed it facilitates wheel-along transportation in trolley mode.

- ✓ Safeguard from major breakage as well as minor damages
- ✓ Fits behind the backrest to transport when in driving mode
- ✓ Stays on in wheel-along trolley mode
- ✓ Easy to put on and take off
- ✓ Doubles as great storage protection at home
- ✓ Bonus rear safety reflectors when attached to backrest in driving mode

Protect ATTO in wheel-along trolley mode

Protects ATTO in shipping and storage mode

Stored on ATTO backrest in driving mode. Alternatively store under your seat

# ATTO Flight Kit

## A SAFE JOURNEY WITH ATTO!
